EU-URBANISM II BORDER CITIES

COPENHAGEN MALMÖ

HELSINKI

TALLINN

KALININGRAD

FINAL PRESENTATION

The Bauhaus Kolleg IX, invites you for the final presentation of the Borders Cities studies in the Baltic Sea Region. These cities are re-shaping the regions through intensive exchanges, and co-operations. The findings of the research over the year, interventions carried out in the sites, projects pertaining to the topic will be shown through exhibitions and presentations. Your participation would be an added asset to the presentation.
